Creation Begins on
Tishri 1 +/- 5:00 P.M.
This is the time that the Jewish day would begin on Tishri 1 more or less
Light was created between
3:00 A.M. and Sunrise

Psalm 90:4 For a thousand years in thy sight [are but] as yesterday when it is past, and [as] a watch in the night.
2 Peter 3:8 But, beloved, be not ignorant of this one thing, that one day [is] with the Lord as a thousand years, and a thousand years as one day.

The Malchut Shamayin - Kingdom of Heaven and the Malchut Adonai - Kingdom of God are synonymous terms. The Jews revered the name of God so highly that they never pronounced it in fear that they would take it in vain, therefore synonymns like Heaven, ect were used. If we don't use God's name we will not blaspheme it.
